THE REGENCY CELLAR

Hart Davis Hart is honored to represent the collection of this esteemed physician, friend, and oenophile. The cellar from which this offering hails was built over many years of thoughtful collection, a journey inspired by a cherished gift and fueled by a cultivated drive for knowledge of the great wines of the world. Each bottle was carefully sourced through the most reputable channels, through retailers with whom the consignor had a relationship, established auction houses or direct from the wineries. The wines offered here were acquired with the intent to drink, the seller motivated to part with them for the purpose of space-making, and a call to share these experiences with other wine enthusiasts. Notable highlights include a stunning array of large-format first growths, an impressive selection of vintage Champagne, and a roll call of Burgundian greats such as DRC and Rousseau. All wines have been carefully housed in ideal conditions. Bidders should take notice of the many unique opportunities this consignment provides.

A CELEBRATION OF BURGUNDY

Lot 1646

A LIBRARY OF EXCELLENCE

Property of a Long-Time Collector and Cherished Friend

This is another selection from one of the most important cellars in North America. I'm privileged to have known this collector since the early days of my auction career in the early 1980s. Those were gregarious times, and we shared countless bottles of remarkable wines. His zeal led him to build an extensive cellar of classic rarities. This offering is such a rich bounty that it's a challenge to mark highlights. On offer is an exceptional range of large formats from top châteaux and a significant Burgundian selection that includes rarities from the likes of DRC, Dujac, Leroy, Méo-Camuzet, and Rousseau to name a few. Also featured is a broad selection of single-vineyard Côte-Rôtie and other Rhône, Champagne, and esteemed Italian classics. Notable highlights include a two bottle lot of 1945 Palmer, a single bottle lot of 1993 Musigny from Domaine Leroy, and four bottles of 1996 La Tâche.

All wines have been carefully sourced and meticulously stored, and I urge bidders to take note of this exciting group.

Notable here is the depth of mature classified Bordeaux as well as impressive selections from Italy and Spain. All wines were purchased either through reputable auction houses, retail channels, or direct from the importer and stored meticulously in temperature- and humidity-controlled home cellar conditions.

**THE BOARDWALK COLLECTION PART III**

Hart Davis Hart is thrilled to again represent this collection. After a groundbreaking initial offering in December, The Boardwalk Collection returns to market with another stunning selection of lots from Europe and the New World. What is important to note about this group is the voracity with which the consignor has caught the wine bug, exhibited by a notable desire to acquire all of the highest-quality Bordeaux available, anywhere. The depth of this collection is impossible to overstate; this consignment represents just a piece of a much larger cellar that truly realizes the meaning of "roll call" when it comes to classified Bordeaux. Sourced direct from the châteaux and stored in a state-of-the-art facility where they remained undisturbed until their removal for this sale, bidders should have the utmost confidence when competing for lots in this exceptional parcel.
